RE: Equipment Provider Cancellation

Effective December 31, 2016, China Shipping Container Line will cancel its participation in the UIIA due to its recent merger with COSCO. China Shipping has transferred all its assets to COSCO and will cease operations on December 31st and therefore no longer has a need for participation in the UIIA.

We thank you for your support and look forward to being of continued service to you as a Participant to the Uniform Intermodal Interchange and Facilities Access Agreement. Thank you.
