

Public page for Equipment Return Location Directory maintained on the UIIA website at www.uiia.org.

Below is a listing of participating Equipment Providers in the UIIA that have provided their pre-designated satellite return locations in accordance with Section E.1.b. of the UIIA. To see the satellite locations for an Equipment Provider, simply click on the drop down menu next to each EP or click on the EP's company name.

To download a complete listing of satellite locations for each of the Equipment Providers, click on Excel or PDF links at the top of the page under the heading, "Download All EP Satellite Locations". Users will have the option to download information in an Excel or PDF file format.

IANA'S EQUIPMENT RETURN LOCATION DIRECTORY

User may click on the boxes next to specific EPs and then click on DOWNLOAD SELECTED EP SATELLITE LOCATIONS to obtain this information in an Excel or PDF format. Alternatively, user can click on the PDF or EXCEL buttons to the right of the EP's company name to download that specific EP's satellite return location information in the specified format. Last option is to click on the EP's company name to display a list of their satellite locations that can be viewed online.

This button allows user to download all EPs satellite return locations. The Excel file returned shows each EP on a different tab within the Excel spreadsheet.
