RE: Modifications to UII Agreement

A memo was sent to all UIIA participants on February 9, 2023 advising that the Intermodal Interchange Executive Committee (IIEC) had proposed a revision to the Administrative Procedures of the UIIA, Section II. Review Procedures for New or Revised EP Addenda, Item II.A. The proposed revision clarifies that should an EP addendum revision decrease the economic impact on the Motor Carrier and in turn result in a benefit to the Motor Carrier, the EP requesting the revision may elect to have the change become effective earlier than the normal thirty-day effective date. The proposed revision is shown below for your reference:

Administrative Procedures, Section II. Review Procedures for New or Revised EP Addenda, Item II.A. [Revisions shown in “red”]

“A new or existing Provider shall submit Addendum language to the Chairperson of the Committee. Addendum language that only modifies an existing economic term becomes effective without review no less than thirty (30) days from the date when notification of the new or revised Addendum language is provided to the Motor Carrier except that, if the modification decreases the economic impact on the Motor Carrier, the modification may be effective earlier at the Provider’s election. Within ten (10) business days after receipt of any other new or revised Addendum language, the Chairperson shall forward, through e-mail, a copy of the proposed Addendum language and an initial evaluation by IANA staff of the conformance of such language with the Agreement to Committee members representing the affected mode(s). Any economic terms shall be deleted from the Addendum before forwarding to the Committee members.”

In accordance with Appendix I, Section V. of the Agreement, all UIIA participants were provided with a thirty-day comment period on the proposed revision during which no comments were received. Consequently, the revision will become effective as adopted and unanimously approved by the Committee at the February 2nd IIEC meeting. **The effective date of the revision will be April 3, 2023.** A full copy of the revised UIIA, which includes the above revision is available at www.uiia.org. Questions regarding the above information should be directed to Debbie Sasko via e-mail at debbie.sasko@intermodal.org. Thank you.
