

UIIA ADDENDUM TEMPLATE

Listed below is the universe of economic issues that the Intermodal Interchange Executive Committee has approved for inclusion in each participating Provider's Addendum to the Uniform Intermodal Interchange and Facilities Access Agreement (UIIA).

Providers who subscribe to this Agreement will utilize this template in creating their individual Addenda. They are not required, nor are they expected, to utilize every component listed below in creating their proprietary Addendum. For example, certain of the Addendum template provisions are more germane to rail-truck Interchange than water carrier-truck Interchange, and vice-versa.

The Parties may not use this Addendum to obviate or undermine the intent of the Agreement. For example, the Agreement contemplates certain reimbursements for the cost of repairs. The Parties may agree to limit the potential cost of those repairs, but such limitations may not be so restrictive that they would virtually eliminate responsibility for reimbursement.

It will be impermissible for Provider Agreement subscribers unilaterally to add other provisions to their individual Addendum to this Agreement. Requests for addition(s) to the universe of economic issues that can be utilized in an Addendum to this Agreement shall be submitted to the Intermodal Interchange Executive Committee for consideration as set forth in Part II, Implementation, Review, Interpretation and Modification Procedures.
